

FEMA

CHIEF EXECUTIVE OFFICE

2007 JAN 10 P 2:49

January 5, 2007

Marnie Ardis
Project Manager
Stanislaus County Chief Executive Office
1010 10th Street, Suite 6800
Modesto, CA 95354

Dear Ms. Ardis:

We have completed the final review of the Stanislaus County Natural Hazard Mitigation Plan and found the plan to be in compliance with the Disaster Mitigation Act of 2000 requirements.

The Stanislaus County Multi-Jurisdictional Natural Hazard Mitigation Plan is valid for five years from the approval date, January 12, 2006, for all approved participants. The plan must be reviewed, updated and submitted to FEMA Region IX for approval at least once every five years. A list of the current status of participating jurisdictions is enclosed with this letter.

The approval of this Plan is not an indication that the actions described can automatically be funded by our Pre-Disaster Mitigation, Hazard Mitigation Grant and/or Flood Mitigation Assistance Programs. All requests for funding will be evaluated individually according to the specific eligibility and other requirements of the particular program under which the application is submitted. For example, a specific mitigation activity or project identified in the plan may not meet the eligibility requirements for FEMA funding, and even eligible mitigation activities are not automatically approved for FEMA funding under any of the aforementioned programs.

If you have any questions regarding the planning process, please contact Robert McCord at (510) 627-70059 or by email at robert.mccord@dhs.gov. An alternate contact is Juliette Hayes, (510) 627-7211, or by email at juliette.hayes@dhs.gov.

Sincerely,

A handwritten signature in blue ink that reads "David M. Kennard".

for Sally Ziolkowski, Director
Mitigation Division
