2023 - Incident Qualification System (IQS)  
Agency Update**

I, \_\_\_\_\_, the Fire Chief for \_\_\_\_\_, have reviewed the personnel affiliated with my department on the IQS Qualifications Roster from 2022. The XST / Agency Position Taskbook that was completed and returned to the Fire Warden's Office is current for all personnel who have not promoted or changed positions. I acknowledge that the individuals who have not promoted or changed positions have met the annual requirements for RT-130 (Annual Fireline Safety Refresher) and the arduous fitness standard for 2023.

By signing this agreement, I authorize the qualified personnel from my agency to be updated in IQS for 2023 and a new Red Card prepared and printed.
